Darkwave: Okay. Now, in order to use a website, click on the world icon.

Malia tapped the icon with her paw.

Darkwave: No, no, not like that. It isn't touch screen.

Malia: Touch screen?

Darkwave: (Signs). Nevermind. You need to click the icon with your mouse!

Malia: Is it this one?

Malia unknowingly clicked on a different icon.

Darkwave: No! You accidentally turned on a video game! Moron!

Malia: (Gasps). Excuse me?

Darkwave: Now, the computer is going slow! Okay! I launched the web browser for you! Now, search for something—anything!

Darkwave: Ugh!

Darkwave slammed the keyboard on the desk.

Darkwave: That's not how you use a computer! Slow does not win the race!

Darkwave: Aw, what? Fine.
